GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

Course content was sufficient enough to keep things interesting. The workload if you did not do Soliya seems a bit high however.

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

The instructor was excellent at hosting dialogues on the subject at hand, as well as keeping the conversation moving forward. One weakness was that sometimes there was confusion as to what we should read because we were behind in the syllabus.

Thank you!

GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

This course was interesting, especially because of how the instructor conducted the course— he let the students express how they reflected the authors arguments; rather than just telling us, it was a way for us to interact in class

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

I would definitely take another course with this professor, the way he teaches, makes the course interesting & is always happy— gives me an incentive to come to class!

Very interesting course, I enjoyed it greatly
A final paper, final presentation + final exam is
a bit much though.
Readings were well picked, wish there was a bit more
of an international view though

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

Michael is my favorite professor. He runs the
class extremely well and makes sure everyone
feels comfortable to voice their opinions and
makes a very safe space for dialogue

Tough course but if you actually read, you will do well. The grading is fair but I wish I could've gotten updates so I knew what to improve on.

Currently my favorite professor. Takes no bullsh*t from anyone. I wanted for him to impliment the attendance policy all semester and when he did, the class improved. I think it should be strict straight from the beginning.

GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

The course was challenging and thought provoking, in all of the assigned readings and in class dialogues. Professor Popović gave opportunity for student-input on either side of a dialogue and gave good insight for everyone to think about.

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

Professor Popović is great at giving an open floor to allow students to voice their views on topics in class and challenge everyone to look on the con side argument side and on the pro side.

Thank you!

GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

I feel like there should be more discussions based on past/current event; rather than on just people.

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

A strength is the way he sets up the class, it is not just him teaching us we actually teach each other and we interact with each other with our own opinion
