GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

I liked how all the content we were given to do was all on Moodle. Some of my classes don't do that, I liked how there were extra resources we could go to like videos.

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

The instructor was very effective in teaching. He knew what he was talking about very well. Spoken and helpful.

GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

The course itself I really enjoyed. At SUNY Potsdam so far Intro to IR has been the hardest class I have taken but Michael always makes himself available when I need help. I enjoy every lecture, and my favorite part of the course is the simulations. Its a great way to be hands on with what we are learning about and we can interact with our classmates.

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

I would 100% take another class with Michael. I enjoyed his teaching style very much. I never missed one class of Intro to IR, because I genuinely enjoyed coming to class. Michael knows how to be serious but he always make lectures entertaining. I would recommend taking a class with prof. Popovic to anyone.

GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

The content was very educational & eye opening. I used to find international relations boring, but I became highly interested in the world events & history of BR. I also really loved the Soliya program part of this course & am grateful to have been part of it.

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

The instructor is incredibly effective at making the content easy to understand & apply can apply it to real life examples that would matter to us students. I think that the instructor is probably one of the best professors I have come into contact with since joining this school. Thank you for a great semester.

GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

I learned a lot in this class, the most powerful part of the course was the Yugoslavia Section. I think another way to get students involved in the class would be to assign a paper where students write about a topic in IR in relation to a State of their choice.

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

You made the lecture material personal, that always helps students understand the topic. Thank you for sharing your story!

Thank you!

Course was alright, there seemed to be some attempts to connect the content to real world, but it didn't really work.

GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

Having almost no prior knowledge in the realm of IR, this course offers a great introduction into the field. The Soliya component of the course is the greatest part in my eyes.

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

I have never had a professor who cares for their students like Professor Popovic does. He does all he can to see his students succeed, and he is one of the best professors on campus.

Thank you!
