GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

The course has a ton of material. The syllabus and moodle were extremely helpful to keep it all in order. I found this to be the most time intensive class I have ever taken and I have 119 credits. This is an observation and not a complaint. The material learned was well worth the effort.

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

I would certainly take another course with Professor Popovic! We disagree on many topics but I feel that he is the most competent instructor I have ever had. I am careful about when to voice certain disagreements because the guy has a wealth of knowledge stored away. I very much enjoyed the opportunity to take this course.

Thank you!

GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

I generally enjoyed the course throughout the semester. This is the first 8 am course that I have regularly attended. I'm personally not a fan of the Soliya requirement but I see its value. It just ate up my Monday mornings, an issue mainly with my poor planning skills.

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

Professor Popovic is a great instructor in my opinion. In class he was willing to listen to and discuss differing opinions from his own while maintaining the flow of class. His teaching style is also easier to follow than most other professors I've had on campus.

Thank you!

GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

Course material is abundant in quantity and can be hard to keep track of at times. Soliya program was useful, but added workload to already very busy schedule can be strenuous.

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

Instructor was very knowledgeable and lectures were interesting and thorough. Only critique is giving students a better idea of what will be on examinations. Some material on exams was not touched upon at all during classes.

GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

Overall the course was interesting and well-structured. But one thing is I had no clue about the Soliya requirement till I was here and it was hard to find time. Another is I wish we did more writing/papers because pop quizzes and lengthy exams are just so anxiety-triggering. There is also so many assignments due throughout and little to no reminders.

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

Popović is such a kind person and he will try to help you if you reach out. He makes class interesting with the simulations and uses a variety of tools and methods to teach. Sometimes I think we go a bit fast.

GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

I feel like Soliya was a bit much while we also had a heavy workload for the class. 2hrs + is a lot on top of reading and other assignments.

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

Very kind and cares very deeply for the success and retained knowledge of his student. He's an excellent educator who is very knowledgeable and flexible!

Thank you!
