- The content was not easy, but it is certainly interesting and important to know. It makes you realize how little you know about the world, and in a way, it encourages you to want to learn more on your own.
- Hard but fun
- This course made a very touch semester a little more manageable.

18 - THE INSTRUCTOR: Please comment on the strengths and weaknesses of Michael Popovic. Would you take another course from this instructor? -

- Honestly, he is absolutely one of my favorite professors. He is kind, funny, and very willing to be helpful and accommodating. He really knows how to teach, and you can tell he really cares. He does give quite a bit of work, and he doesn't make it easy during regular circumstances. (In quarantine things are a bit different) but he puts in just as much effort if not more into what his students are doing. One of my biggest complaints would be his view of cell phones in class, but that doesn't bother me very much at all. I would absolutely take another class of his in the future if I get the opportunity.
